# WHO IS PHCG

**At Platinum Heart Care Group, we support individuals in living a full, meaningful, and as normal a life as possible – regardless of age, illness, or physical limitations. We believe care should feel natural, not restrictive.**

## **Compassionate Care**

Our team provides empathetic and understanding support tailored to individual needs.

## **Professional Support**

Certified Nursing Assistants and Registered Nurses deliver expert care.

## **Independence-Focused**

We empower clients to maintain their independence and quality of life.

# What We Offer

Platinum Heart Care Group provides comprehensive in-home care services designed to support independence and enhance quality of life. Our dedicated team delivers personalized care tailored to your specific needs.

## In-Home Care Support

Assistance with daily living activities, meal preparation, mobility support, and personal hygiene to ensure comfort and safety.

## Post-Surgical Recovery

Intensive Certified Nursing Assistant (CNA) support complemented by Registered Nurse (RN) wound care and expert consultation.

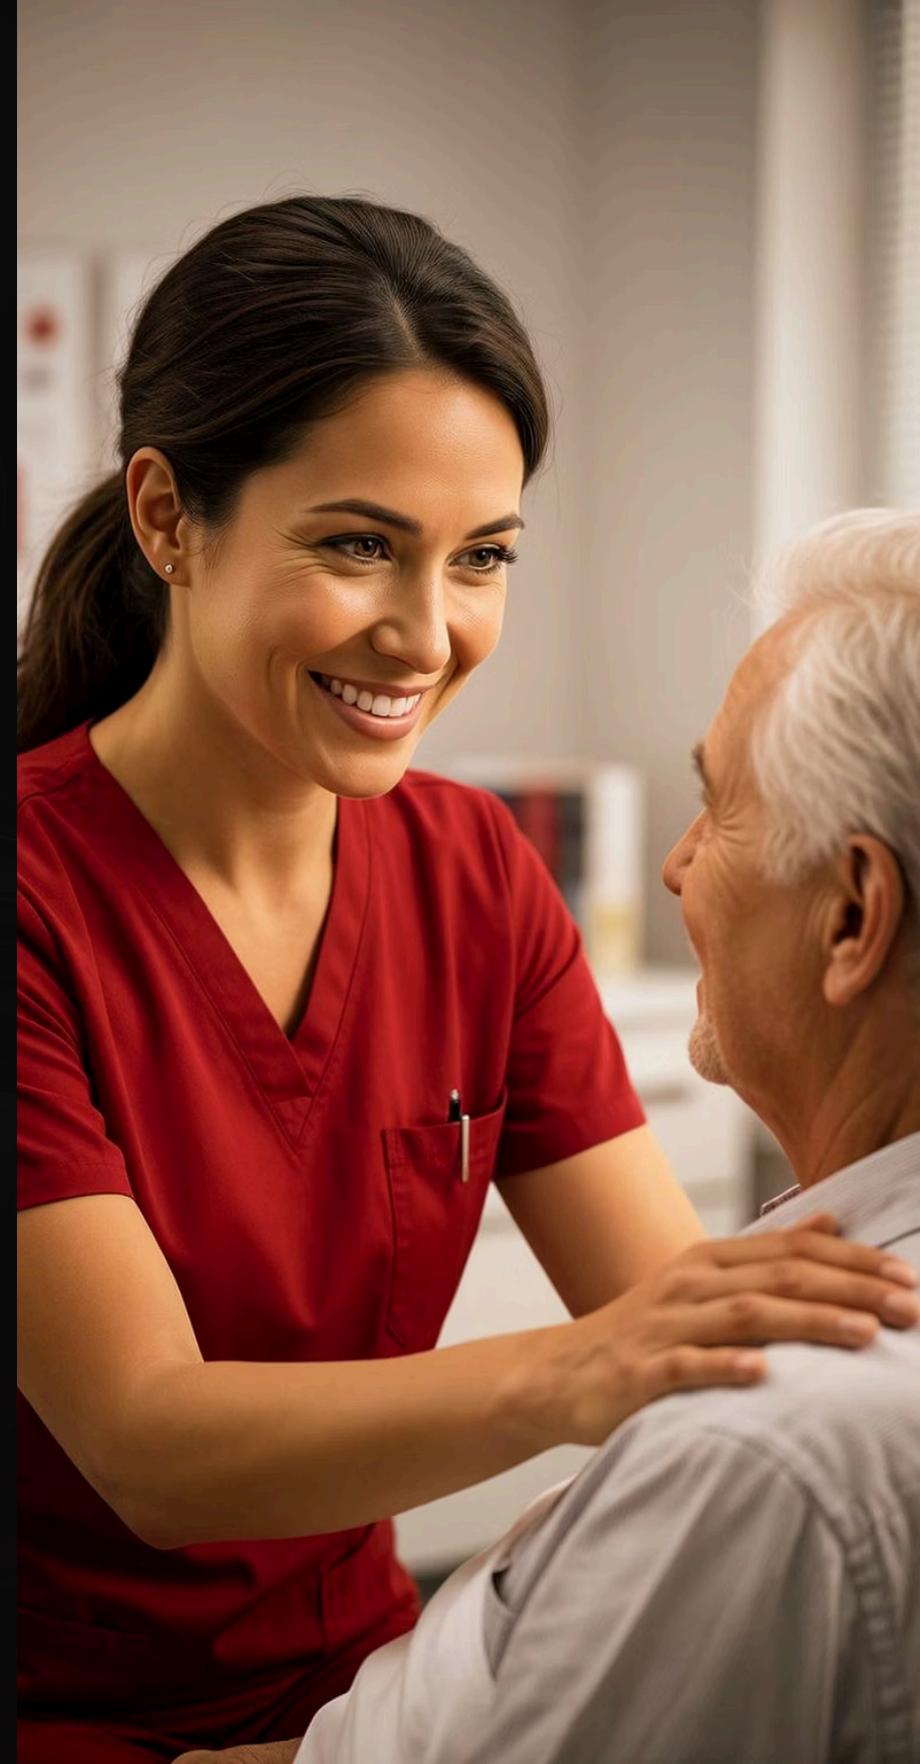

## Transportation Services

Reliable transportation included in all packages for medical appointments, social engagements, and essential errands.

## RN Oversight & Consultation

Professional clinical coordination, wellness monitoring, and meticulous documentation by experienced Registered Nurses.

# Service Packages

Explore our comprehensive care tiers designed to meet diverse needs, from initial support to the highest level of personalized assistance. Each package is crafted to ensure comfort, independence, and well-being at home.

## INSURANCE PARTNERSHIP & ADVOCACY

We Handle Your Insurance So You Don't Have To

At Platinum Heart Care Group, we understand that navigating insurance can be complex. That's why we take the burden off your shoulders. Our dedicated insurance specialists work directly with your insurance provider to secure approval for our care services on your behalf. We manage all documentation, pre-authorizations, and ongoing communication with your insurer—ensuring seamless coverage and peace of mind for you and your family.

Working out the plan to get you

APPROVED & COVERED FULLY!

# Why Choose Platinum Heart Care Group?

*Choosing the right in-home care provider is a critical decision. At Platinum Heart Care Group, we stand out by offering more than just assistance – we offer a commitment to quality, compassion, and true independence. Here's what makes us different:*

We treat clients like family, not numbers

We make care about living life, not surviving it

Our teams have real experience and clinical oversight

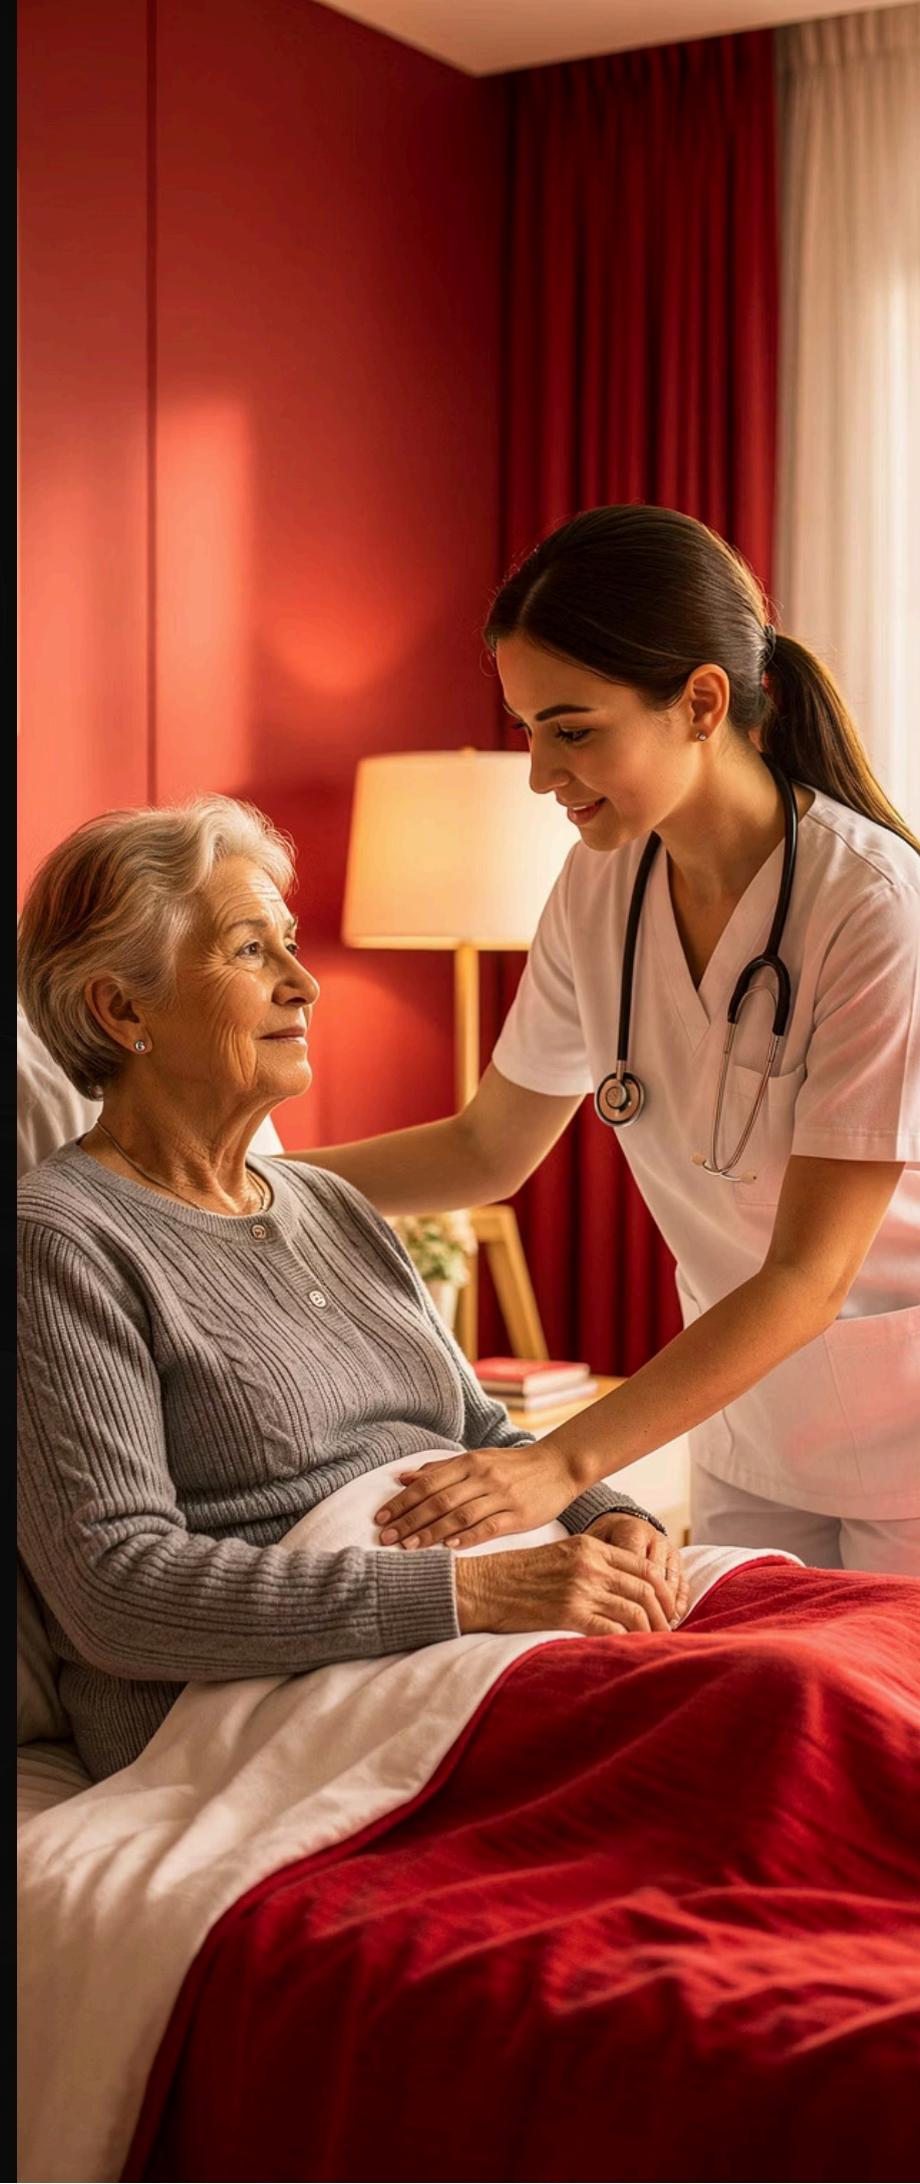

Transportation and RN support included in all packages

Insurance & private pay friendly

Structured care plans with measurable outcomes

Comfortable, dignified, independence-focused in-home care

Professional care with accountability and transparency

# Who We Serve

*Platinum Heart Care Group proudly serves individuals seeking high-quality, compassionate in-home care:*

→ **Seniors desiring independent living at home**

We empower older adults to maintain their independence and comfort in their familiar surroundings.

→ **Post-surgical clients needing structured recovery support**

Comprehensive care plans designed for optimal healing and transition back to daily life.

→ **Individuals managing chronic health conditions**

Non-medical support tailored to the unique needs of those with ongoing health challenges.

→ **Families seeking reliable and transparent care solutions**

Providing peace of mind through meticulously monitored and accountable services.

→ **Clients transitioning from acute or long-term care**

Seamless support for a comfortable and confident return to home life.

# How PHCG Works:

Our *client-centered approach is designed to provide comprehensive, personalized care every step of the way, ensuring peace of mind for both clients and their families.*

## Initial Assessment

We evaluate needs, schedules, clinical requirements, and goals.

## Customized Care Plan

We build a tailored weekly schedule of care services.

## Regular Monitoring

RNs review care and update family/physician notes.

## Transportation & Support

We assist with appointments, errands, social engagements.

## Ongoing Communication

Client families get regular updates and summaries.
